

# Lumen iL33 CC

9224386

---

The iSense Lumen 33 CC is an antenna with integrated customer counters. The customer counting information can be displayed using the various interfaces that Nedap Retail offers.

The iL33 is the first full Plexiglass antenna in the iSense product portfolio and features all light and color benefits that come with the Lumen line. This intelligent Loss Prevention system contains state-of-the-art electronics that can easily be integrated, remotely updated and its data made visible through dashboard,

reports and an API.

The iSense Lumen series features intelligent light and sound option; the multi-color LED's and the speaker allow for different alarming scenario's for different events like RF alarms, metal detection and the Wrong-Way Detection.

## Benefits

- Intelligent communication through coloured lights and different sounds
- Standard integrated infrared beam sensors for customer counting and/or direction detection
- Real-time insight and control with in-store and organisation-wide dashboards
- Device Management allows remote monitoring, remote log-in and online firmware update
- API with SDK available that can be used for system integration
- Nedap's patented OID technology (Orientation Independent Detection), detects RF labels in all orientations, ensuring optimal performance even in challenging environments

# Options

- Shielding
- Real time in-store security dashboard
- Organisation-wide Analytic dashboards via Web or App.
- API with SDK for integrations
- Device Management for remote monitoring, remote log-in and online firmware updates
- Metal Detection

## Technical specifications - General

<b>EAS Frequency</b>	8.2MHz
<b>Connectivity</b>	Ethernet, usb (service port only)
<b>Management interfaces</b>	<ul style="list-style-type: none"><li>• Local configuration interface</li><li>• Nedap Device Management with:<ul style="list-style-type: none"><li>• Remote monitoring</li><li>• Remote log-in</li><li>• Online firmware updates</li><li>• SNMP version 2C</li></ul></li></ul>
<b>Dimensions</b>	1534.3mm x 328.6mm x 97.7mm 5.03ft x 1.08ft x 3.85"
<b>Weight</b>	15kg 33.07lbs
<b>Mains</b>	100 - 240V
<b>Operating temp.</b>	32 .. 113°F 0 .. 45°C
<b>Mounting</b>	Floor mounted
<b>Power consumption</b>	Average of 12W per antenna

## Dimensions

## Ordering Information

Description	Article number
ASSY T325R RF IR	9224386

## Package includes

- Lumen iL33 (including electronics)
- Installation set
